Liite 2 Pohjavesialueet

The map displays the municipality of Ruovesi, which is highlighted with a green border and a light blue hatched pattern. Ruovesi is situated in the southern part of Finland, near the border with Sweden. It is surrounded by several other municipalities, including Lahti to the west, Kouvola to the east, and Jyväskylä to the north. The map also shows various water bodies, such as Lake Ruovesi, Lake Kouvola, and Lake Jyväskylä. The population of Ruovesi is approximately 1,500 people.

Liite 4 Kiinteät muinaisjännökset

The map displays the Ruovesi region, characterized by a dense network of lakes and water bodies. Key lakes labeled include Vaskivesi, Mustajärvi, Ruovesi, and many others. The map also shows the boundaries of several municipalities, including Vammala, Ruovesi, and Juupajoki. A scale bar at the bottom indicates distances in kilometers, ranging from 0 to 10 km.

The map displays the Ruovesi region, a large lake system in central Finland. The central lake is labeled 'RUOVESI'. Surrounding it are numerous smaller lakes and islands, including Karkausjärvi, Mustajärvi, and Korpulampi. The map also shows the borders of several municipalities: Ruovesi, Joensuu, Pihlajalahti, and others. Brown dots are placed at various locations, likely indicating specific points of interest or data collection sites. The map is oriented with North at the top.
